Title of Collection: Teacher Education Assistance for College and Higher (TEACH) Education Grant Eligibility Regulations

OMB Control Number: 1845-0084

Total Estimated Number of Annual Responses: 233,276

Abstract: The Teacher Education Assistance for College and Higher Education (TEACH) Grant program is a non-need-based grant program that provides up to \$4,000 per year to students who are enrolled in an eligible program and who agree to teach in a high-need field, at a low-income elementary or secondary school for at least four years within eight years of completing the program for which the TEACH Grant was awarded. The TEACH Grant program regulations are required to ensure accountability of the program participants, both institutions and student recipients, for proper program administration, to determine eligibility to receive program benefits and to prevent fraud and abuse of program funds. The regulations include both recordkeeping and reporting requirements. The recordkeeping by the school allows for review of compliance with the regulations during on-site institution reviews. The Department uses the required reporting to allow for close-out of institutions that are no longer participating or who lose eligibility to participate in the program.
